

Covid-19 Disclaimer:

A message to all clients, talent and colleagues:

Hello,

In response to Covid-19, I have taken the necessary steps to ensure the safety of myself, clients, talent and colleagues on set. I have completed the Barbicide Covid-19 Certification and Barbicide Certification for Disinfection & Sanitation.

In addition to this, I will be implementing additional guidelines & practices compliant with the New York State/U.S laws and CDC guidelines.

All current and new practices will provide a safe, healthy, and clean environment for each Individual post the Covid-19 pandemic.

Current & Updated practices in response to Covid-19:

- Face mask, face shield/eye protection, and gloves will be worn while providing service
- Hand washing and sanitizing is mandatory by myself, client/talent before servicing
- Each client will be serviced with a clean, disinfected, sanitize set of Brushes and Tools
- Disposables tools will be used for each Individual
- Barbicide solution will be used to disinfect all plastic and metal reusable tools
- All surfaces, doorknobs, handles will be disinfected and sanitize before and after all clients/talent
- Use of client/talents personal makeup, products or supplies will be prohibited/off limits completely
- Use and touching of my Professional kit, products and tools by the client/talent/staff will be prohibited
- No additional patrons will be allowed during servicing
- Separate room for Hair/Makeup Services highly suggested
- Services will be declined should circumstances show an unsafe work environment for both myself and/or individuals
- All disinfectant products and personal PPE will be provided by myself and included in my updated kit fee (Example: Ship Shape, Barbicide, And Clippercide)
- Safety Data Sheets & Certifications Upon Request

*Additional guidelines and practices will be updated per new laws and CDC guidelines
